INTERVIEW SUMMARY

On 22 May 2006, the Examiner called Applicants' representative. During the phone conversation, the Examiner indicated that he would allow the case if Applicants amended claim 9 to include the limitations of claim 11, and amended claim 12 to include the limitations of claim 14. The Examiner believes that the currently pending claims are not patentable in view of newly discovered art. Applicants have not seen the new reference(s). Therefore, Applicants respectfully declined and requested that the Examiner present any rejections against the claims in a formal Office Action.

Respectfully submitted,

COATS & BENNETT, P.L.L.C.
